**ABSTRACT**

**RETRAKSI:** Sari, A. N and I.C. Buiney. (2020). The Impact of Tourism Development on Economic Condition of Coastal Community in Binyeri Village, Yendidori District, Biak Numfor Regency. ECSOFiM: Economic and Social of Fisheries and Marine Journal. 08(01): 138-150. <http://dx.doi.org/10.21776/ub.ecsofim.2020.008.01.11> . This article has been retracted by the publisher based on the following reason: The editor believes the author violated publication ethics. The author published the same work in two journals. The co-author acknowledges her author's member mis coordinated to submit the same manuscript to another magazine. This article also has published in the <http://www.gjesrm.com/June-2020.html> or <http://www.gjesrm.com/Issues%20PDF/Archive-2020/June-2020/1.pdf>. This journal requires authors to declare that their work is original and has not been published or considered by another journal. This article is a serious scientific publishing misuse. The scientific community strongly disapproves of this, and the journal apologizes to readers for not catching it during submission.

**ABSTRAK**

**RETRAKSI:** Sari, A. N and I.C. Buiney. (2020). Dampak Pengembangan Pariwisata terhadap Kondisi Ekonomi Masyarakat Pesisir di Kampung Binyeri, Distrik Yendidori, Kabupaten Biak Numfor. ECSOFiM: Economic and Social of Fisheries and Marine Journal. 08(01): 138-150. <http://dx.doi.org/10.21776/ub.ecsofim.2020.008.01.11> . Artikel ini telah ditarik kembali oleh penerbit berdasarkan alasan berikut: Editor percaya penulis melanggar etika publikasi. Penulis menerbitkan karya yang sama di dua jurnal. Penulis mengakui anggota penulisnya terdapat kesalahan koordinasi untuk mengirimkan naskah yang sama ke jurnal lain. Artikel ini juga dipublikasikan di <http://www.gjesrm.com/June-2020.html> atau <http://www.gjesrm.com/Issues%20PDF/Archive-2020/June-2020/1.pdf>. Jurnal ini mengharuskan penulis untuk menyatakan bahwa karya mereka asli dan belum dipublikasikan atau dipertimbangkan oleh jurnal lain. Artikel ini adalah penyalahgunaan penerbitan ilmiah yang serius. Komunitas ilmiah sangat tidak menyetujui hal ini, dan pihak jurnal meminta maaf kepada pembaca karena tidak terpantau selama proses submit.
